Tricia Rivas of Trixie's Salon and  
Dreamcatchers Foundation

Tricia Rivas, owner of Trixie's Salon, has always had a passion for giving back to the community. Tricia used her skills as a licensed beauty professional to donate salon services to Hospice of Central Iowa, the women's shelter in Des Moines, and also to Des Moines veterans. Overseeing 15+ stylists at Trixie's Salon, Tricia encouraged her employees to donate their talents to organizations in the Des Moines community. She decided to turn their giving back as a team into something much more by starting the Dream Catchers Foundation. Dream Catchers is the only nonprofit of its kind in Central Iowa that provides salon services for chronically and terminally ill men, women, and children as well as their caregivers.

Hear the savvy, successful business owners + entrepreneurs of Des Moines share their story. In a laid-back environment, you'll catch some words of wisdom from women + men who have been through it before—and maybe walk away with a new connection (or two). Space is limited; first come, first served. BYO lunch.

The Women's Business Center is funded in part by a cooperative agreement with the U.S. Small Business Administration.
