The **Iowa** Center

Small business creates jobs and opportunity.

ZAMORINS SOLUTIONS, Des Moines

Zamorins Solutions Inc. supplies government agencies and company with Information Technology Enabled Services (ITES). Their services include the well-known ParkZapp optimizes safety and compliance for park inspections across 28 states. that supplies government agencies. Despite the company's success, Latha faced challenges accessing capital as she struggles to meet the staffing demands of her growing business. Latha came to The Iowa Center for capital and business support. She has now created new Sales and Business Analyst roles which will be critical in helping Latha manage and seek out new contract opportunities for the business.
